

ABHISHEK S HONDALE

Frontend Developer

📍 Bangalore, India ✉ abhishondale@gmail.com ☎ +91 9611713604 🌐 in/abhishek-hondale-76b843269

CAREER SUMMARY

A motivated and detailed oriented front-end developer with a strong foundation in HTML, CSS, and JavaScript and frameworks such as ReactJS. Passionate about creating user-friendly, visually appealing and responsive web applications. Seeking a challenging role to contribute to innovative projects, enhance user experience, and grow alongside a dynamic team in the tech industry.

SKILLS AND STRENGTHS

- **Programming Languages** – HTML, CSS, JavaScript.
- **Frameworks** – ReactJS, Material UI.
- **Database** – MongoDB, MySQL.
- **Tools** – VS Code, Git, GitHub.
- **Soft Skills** – Problem Solving, Team Collaboration, Communication, Adaptability.

PROJECTS

Food Delivery Website

- A food delivery website featuring a Home page that displays the menu and food items, along with a Cart and Order page for seamless transactions. The project also includes a Sign In/ Sign Up popup built with React.js for user authentication.
- **Technologies used** – React.js, JavaScript, HTML, CSS.

Portfolio Website

- A dynamic React.js portfolio website to display a developer's skills and projects. Built with responsive design, it ensures optimal viewing on all the devices. Subtle animations and personalized styling enhance the website's visual appeal and usability.
- **Technologies used** – React.js, JavaScript, HTML, CSS.

Form Validation

- A React.js form validation that verifies user inputs, ensuring fields like email, password and required information are correctly filled. It provides immediate error messages for a smooth user experience.
- **Technologies used** – React.js, JavaScript, HTML, CSS.

Weather API

- Developed a JavaScript-based weather app that fetches real-time weather data from the OpenWeatherMap API, displaying key information such as temperature, weather conditions, humidity, and wind speed for any specified city.
- **Technologies used** – React.js, JavaScript, HTML, CSS.

EDUCATION

Bachelor of Engineering

Lingaraj Appa Engineering College • 2019-2023 • 7 CGPA

CERTIFICATIONS

MERN Full Stack - JSpiders Development and Training Centre

- Completed a MERN Full Stack course at JSpiders, specializing in HTML, CSS, JavaScript and React.js. Gained expertise in creating responsive, dynamic web interfaces and applying modern UI/UX design principles. Developed hands-on-experience in web styling, interactivity and optimization. Successfully built projects demonstrating proficiency in frontend technologies and frameworks.
